COMMUNITY BUILDERS

Southeast Minnesota Economic Summit

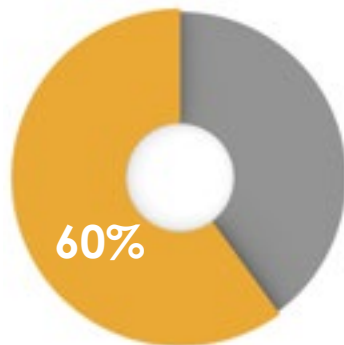

Ryan Noland, President, RAEDI led panel discussion of local leaders from key sectors including from left to right: Piper Su, Division Chair, Community & Government Engagement, Mayo Clinic, Matt Flynn, fourth generation Olmsted County farmer and County Commissioner, Mike Tuohy, Vice President and COO, Tuohy Furniture and Lizzy Haywood, CEO, People's Food Cooperative.

The objectives of the Chamber's Economic Summit included exploring the sector landscape and forecasting as much as possible the economic outlook of our region. The program consisted of four sections: sector review, economic outlook for each sector, current climate and challenges and the keynote/town hall style address by Minnesota Federal Reserve President Neel Kashkari (pictured on front cover).

Some Small Business Facts from the Economic Summit:

MN small businesses
owned by people
over the age of 65.

Of the 95,900 total jobs in Olmsted County,
1 out of 3 jobs are created by small business

Total estimated taxes paid
by small businesses:
\$271.4 Million

Sales taxes: \$114.5 million + Property taxes: \$74.0 million

Olmsted County
Small Business Output
(Businesses with less than
100 employees)

Inauguration New Rochester City Leaders

On January 7th, 2019 the Rochester community witnessed two firsts -- the swearing in of Rochester's first woman Mayor, Kim Norton, and a community inauguration honoring public service and witnessing the swearing of Mayor Norton and the newly elected (and one re-elected) City Council members Nick Campion (Ward 3), Patrick Keane (Ward 1), and Shaun Palmer (Ward 5). Once sworn in by Judge Lund each official addressed the crowd.

City Administrator Steve Rymer welcomed the crowd, which filled the entire room at the Mayo Civic Center. He led an inspiring ceremony which included uplifting readings from community representatives, special recognition of the outgoing elected officials, Mayor Brede, Councilmen Hruska and Hickey.

It was a very exciting way to start the new year – coming together – friends, neighbors, administration officials and elected leaders in common cause and commitment to working together to enrich the life of our community.

As always, the Rochester Area Chamber of Commerce will monitor and engage on the activities of city and county governments and provide regular updates and action alerts on important issues for you.

Kim Norton

made history on January 7th, 2019, when she was sworn in as the Rochester's first female Mayor.

Mayor Norton, Councilmen Campion, Keane and Palmer stand together at the end of the inauguration ceremony.

Below is entire City Council, Mayor and key City administrative leadership.

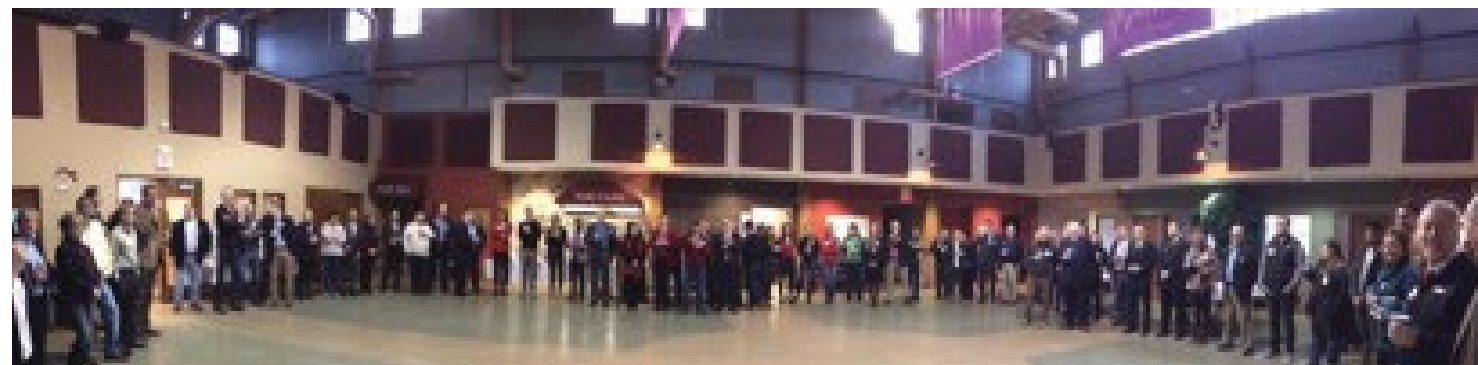

Chamber Members Celebrate Community Non-Profits

The holiday season saw Chamber members celebrate two of our communities non-profits with AM Espressos at United Way of Olmsted County & Salvation Army.

November 2018 - More than 100 people - many of them first time AM Espresso attendees - gathered at the United Way of Olmsted County. Attendees had a great time and helped spread the word about the great work of the United Way by posing for the biggest on record "United Way Orange Smile" group photo!

December, 2018 - 73 people came to the Salvation Army for AM Espresso including 21 first time attendees. Attendees were treated to a mini kettle challenge, a table to sign up for bell-ringing, and brief comments by Major Bob Mueller.

Hiring A Summer Intern Could Be A Win/Win Experience

College and some high school students are already looking for valuable work experience as an intern. Related internships are becoming essential for full-time employment after graduation. According to the National Survey of Student Engagement (NSSE), roughly 52% of all college seniors have participated in a internship or related experience during their undergraduate years. This is a huge opportunity for employers -- you can find a motivated employee who wants to learn and experience the world of work. You also get to see first hand this intern's work ethic, willingness to learn and skills.

Post your internship opportunities on Hubsourc. The Chamber will bring your internship opportunities to the attention of college students in our region. Internships are not difficult to set up. Here are three guidelines to consider:

- 1. HAVE A PLAN.** What do you hope to gain from an intern your hire or program you start? What will the intern do for you? What tools, background info, infrastructure, etc. will you need to provide the intern so they are successful? Who will be responsible for supervising and mentoring the intern?

- 2. FOLLOW THE RULES AND ENSURE COMPLIANCE.** As with any employment situation -- volunteer or paid -- there are regulations to be followed. Find the full list of compliance requirements online at www.dol.gov/whd/regs/compliance/whdfs71.htm
- 3. POST YOUR INTERNSHIP OPPORTUNITY ON INTERNSHIP SECTION OF HUBSOURCE.** Find the intern that best meets your needs. As a Chamber member, you can post all your job openings including internships on Hubsourc for free! Chamber staff is working to make students in our region aware of Hubsourc and your internships. So post today -- it is not too early. Students are starting to explore their options for this summer.

Still have questions?

Check out this helpful resource guide created by Bryant University.

Found online at:
<https://career.bryant.edu>
Select "Employer" from the main menu. Then click "Internship Program" from the sub-menu, and final click the "Internship Employer Guide.pdf" on the right side.

SCORE volunteers offer free business counseling and you may return as many times as needed. SCORE will connect you with a mentor who has successfully navigated the world of business.

Upcoming SCORE Workshops

Humanities on Display

The Leadership Greater Rochester (LGR) cohort gathered at the Rochester Civic Theatre for their 6th session, Humanities in our Community. This session helped participants develop a deeper understanding of the diverse populations within our community and explore where and how arts and culture are expressed in the community.

Members of the cohort toured the Rochester Civic Theater and learned about the important role it plays in promoting the humanities and the arts in our region.

SESSION VOLUNTEERS

Becca Stiles-Nogosek,

Boys & Girls Club of Rochester

Erin Logan, Mayo Clinic

Rashid Fehmi, Mayo Clinic

Tracy Schramm, IBM

Brook Gentzler, Mayo Clinic

Katie Herrmann,

Kraus-Anderson Construction

Kaia Yngve, Mayo Clinic

Local Rochester poet Danny Solis leading the class through a facilitated poetry exercise

Representatives from different faith communities in Rochester spoke to the class about their traditions, experiences, and how each contribute to the fabric of our community

Representatives from the Intercultural Mutual Assistance Association (IMAA), including Executive Director Armin Budlimic (far right), speaking to the important services they offer refugees and new Americans.

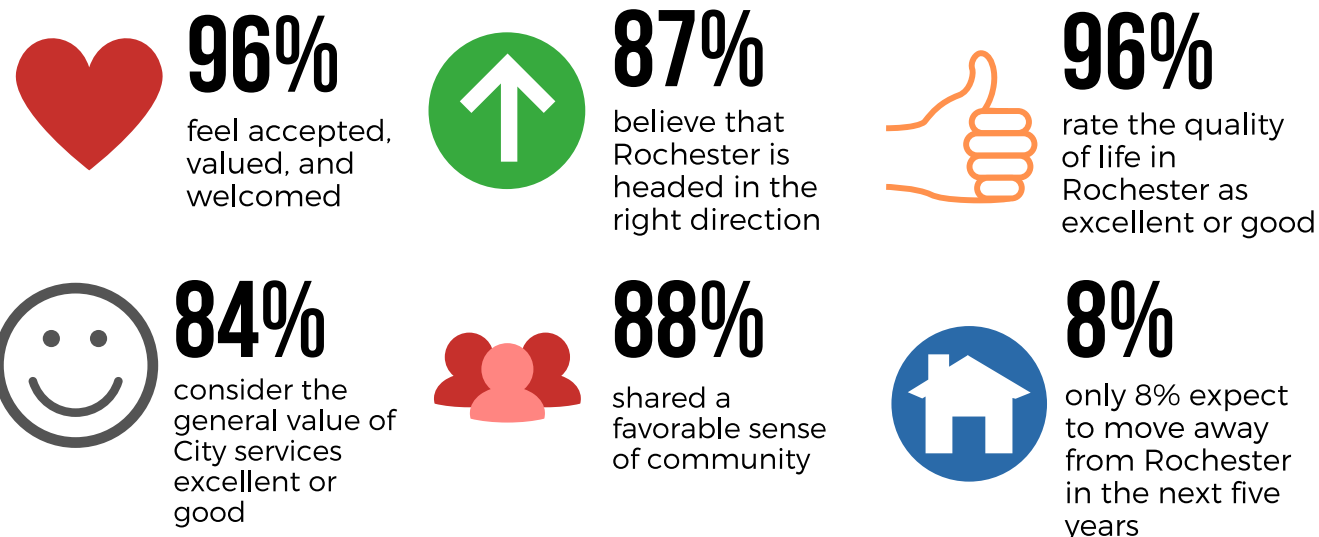

THE CITY OF ROCHESTER - MONTHLY BRIEFING

Steve Rymer, City Administrator

Between May 22 and June 20, 2018 City of Rochester residents were randomly selected for telephone interviews to collect data for the City of Rochester Community Survey. The survey was conducted by The Morris Leatherman Company. The results assists in identifying areas of success and also areas of opportunity. The data points also provide a baseline to measure against in the future.

The results of the survey are something that everyone should be very proud of. This speaks highly of the work of and services performed by the City of Rochester and of the many businesses, organizations, and institutions that work hard each and every day.

"The City of Rochester is poised for another standout year. We encourage you to get connected, stay involved, and help our community be the best that we can be!" - Steve Rymer

The City of Rochester is pleased to partner with the Rochester Area Chamber of Commerce in the coming year to provide you monthly briefings about the latest news and updates from the City.

As a City team, we are committed to transparency, accessibility, and innovation. In the coming year, you will see the continuation of efforts to make improvements to our systems and processes. We will also work hard to maintain the same great services that we have in the past.

Here's to celebrating the success of 2018 and to looking at the opportunities ahead in 2019!

Olmsted County Report on Bidding

How to do Business with Olmsted County

Olmsted County uses an online system called Ion Wave Technologies (IWT) to receive quotes, bids and proposals from vendors wishing to do business with the County. Vendors need to register as a supplier in IWT but can also access "Bid Opportunities" without registering and access information related to closed and awarded bids. To register, or to learn more, go to: <https://olmstedcounty.ionwave.net>

Once registered, you will be asked to select the specific commodity codes related to your business or interests. If you do not modify the commodity codes from the default settings, you will receive notifications for all commodity codes when applicable. Registering with this online sourcing

website alone does not constitute Olmsted County's acceptance of a registrant as a User, Approved Vendor, or Awarded Vendor, nor does registration promise access to any solicitation, notification or award. Once a supplier is registered, they have access to an easy to understand tutorial on how to navigate IWT.

The IWT electronic bidding site is used for all bids except for Highway Road Construction Projects and some purchase of service opportunities:

- For "Road Construction Bid Opportunities", go to: <https://egram.co.olmsted.mn.us>
- For "Purchase of Services Bid Opportunities" for Human Services and other information, call go 507-328-7085 or visit <https://www.co.olmsted.mn.us/finance/Pages/Purchasing.aspx>

Ion Wave Technologies or IWT is a program used by Olmsted County to house all bids. Vendors in the county can access information such as closed or awarded bids.

Pharmaceutical Specialties, Inc. www.psico.com

Pharmaceutical Specialties, Inc., the makers of Vanicream™ Skin Care, was recognized by the Star Tribune as a top 150 workplace in Minnesota for 2018. This is the 8th consecutive year that Pharmaceutical Specialties, Inc. has been awarded this honor. With a team of almost 100 employees, Pharmaceutical Specialties, Inc. develops and produces products for people with sensitive skin and those who need or want to avoid common chemical irritants.

Carlson Capital Management (CCM) carlsoncap.com

CCM, a MN based investment advisory and integrated wealth management firm, is happy to welcome **Dan Edwards** to the team. Mr. Edwards, a Certified Public Accountant, brings 30+ years of experience with tax planning, financial management and private client relationships to CCM, and will serve as the firm's Director of Estate Planning in the Rochester office. Mr. Edwards will work collaboratively with colleagues to present tax planning and enhanced estate planning solutions inside CCM's integrated wealth management offering.

Destination Medical Center dmc.mn

DMC EDA's **Patrick Seeb**, Director of Economic Development & Placemaking, was named as one of the "Twin Cities Business (TCB) 100: People to Know in 2019."

Rochester is well represented in the publication which also included Dr. Gianrico Farrugia, incoming President/CEO, Mayo Clinic, Mike Rolih, Founder/CEO of GoRout LLC and Dick Radatz Jr. Co-founder/Owner of the Northwoods League.

Institute on the Environment University of Minnesota

Dr. Sabine Engel of the University of Minnesota's Institute on the Environment was recently presented the university's prestigious "Award for Distinguished Global Achievement." Dr. Engel has distinguished herself in implementing internationally acclaimed clean energy and environmental sustainability policy exchange programs between MN and Germany. Rochester is a current participant in her "Climate Smart Municipalities" program which links Rochester and Muenster, Germany in activities directed towards a cleaner and more sustainable future. Additionally, Dr. Engel has regularly brought German energy experts to Rochester to engage our community in how energy generation is transitioning internationally and in MN.

HGA Architects hga.com

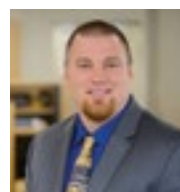

Celebrating more than 35 years in Rochester (downtown office since 1996), the multi-disciplinary design firm HGA has rebranded, the first time in over 20 years.

In addition, the recent acquisitions of innovative engineering firm Sustainable Engineering Group (Madison, WI) and Wilson Architects (Boston, MA), specializing in science and technology research facilities, will broaden HGA's existing firm-wide expertise in sustainable energy and infrastructure planning and design as well as strategic planning, programming, and design services for major research universities and companies. HGA has now grown to 11 offices and over 850 employees.

HGA Architects hga.com

Lou Ann Bunker-Hellmich has joined HGA as a Design Researcher and will be assisting in various research activities from data collection, analysis, and reporting to grant pursuits and publications. Lou Ann was a technical writer for HDR in Rochester, a research specialist for AECOM in Minneapolis, and has worked in the University of Minnesota system as a research associate and lecturer/teaching specialist in the College of Design.

HGA Architects hga.com

Andy O'Hare, AIA, has been promoted to Associate Vice President with HGA in the Rochester office. He is a senior project architect concentrating on healthcare projects.

HGA Architects hga.com

HGA has hired Steve Rabatin, NCARB, LEED AP, as Associate Vice President and Project Manager in the Rochester office. He manages integrated team processes and client relations

for the firm's diverse project work in healthcare, public/corporate, and higher education markets. Rabatin has more than 15 years of experience in the architecture and construction industry. His expertise includes project design, interior design, restoration, project management, construction management, and marketing.

Knutson Construction www.knutsonconstruction.com

The Knutson Rochester office is pleased to announce Brock Erickson's promotion to Project Engineer 2. Brock joined Knutson full time in 2017 after gaining initial experience with Knutson as an intern for three summers. Brock has been instrumental in the success of numerous projects such as; Mayo Civic Center Expansion, Byron ISD, numerous Rochester School District Projects & Mayo Renovations.

Knutson Construction www.knutsonconstruction.com

Joining Knutson in 1994, Todd Graner has been promoted to Senior Superintendent. Todd has experience with projects in several of our key market segments. In this role, Todd will directly supervise Knutson Rochester's team of superintendents, foremen, and field labor force. His previous experience will enable him to assess and manage risks, provide pre-planning and constructability leadership, and make sure our teams are consistently delivering The Knutson Experience.

Knutson Construction www.knutsonconstruction.com

Stacey Albers has been promoted to Senior Office Administrator at the Knutson Rochester office. As senior office administrator, Stacey will supervise the Knutson Rochester office staff and provide support for our project teams. Stacey will also be responsible for implementing Knutson's corporate policies and establishing standard procedures to enhance productivity, working closely with the marketing department.

Knutson Construction www.knutsonconstruction.com

Sean Dols has been promoted to Rochester General Superintendent. Sean has continuously demonstrated his commitment to our owners, design professionals, subcontractors, and employees, which are key factors in his promotion to this leadership position. Sean has 31 years' experience with Knutson, including a strong history of success on jobs of all sizes and scopes. Sean will be transitioning into his new role previously held by Marv Stafford. Marv will focus on key customer relationships and projects while working closely with Sean to ensure we continue to deliver strong leadership on all projects moving forward.

KTTC Television kttc.com

Marvin Rhodes has been named Vice President and General Manager of KTTC Television Inc. in Rochester, Minnesota effective January 21, 2019. Rhodes will also have oversight responsibilities with KXLT, the Fox affiliate in Rochester, as KTTC provides various services to KXLT through a shared services and joint sales agreement.

Rhodes comes to Rochester from Mankato, Minnesota where he has been General Manager of KEYC-TV, CBS and Fox, since 2013. Marvin Rhodes has a strong television and business background and is heavily involved in the community. Rhodes is currently a member of the Minnesota Broadcasters Association.

Post Bulletin www.postbulletin.com

The Community is pleased to welcome Post Bulletin's new publisher, Ken Nelson. Ken comes to us from Erie, PA, where he was CEO and Publisher of the Erie Times-News. Before that, he lived in Southern California for 30 years working in various levels of executive management for three different news organizations. Ken and his wife Tammy have a 16-year-old son Kyle.

Post Bulletin www.postbulletin.com

The Post-Bulletin is pleased to welcome Parker Ask as the Technical Services Supervisor. He was previously working for an organization in South Africa for the last two years as an IT administrator. He is looking forward to settling down in Rochester with his wife, Megan, and newborn son, Augustus. He is excited to work to bring his expertise and knowledge to the Post Bulletin.

Post Bulletin www.postbulletin.com

Katie Lauer joins the newsroom as a regional reporter. She covers Dodge, Fillmore and Mower Counties. Lauer is also a co-editor and contributor for 507, the weekly arts and entertainment magazine. She graduated from the University of Minnesota with a BA in journalism and has previously written for the Pioneer Press, Minnesota Daily and Lillie News. She is always thinking about coffee, concerts, C.J. Cregg and her cat, Walter.

Post Bulletin www.postbulletin.com

PJ Clendenning joins the staff as a District Sales Manager. PJ was previously working as a security professional for Allied Universal, and is excited to be back at the Post Bulletin after getting his first job here years ago as a newspaper carrier! He looks forward to assisting Post Bulletin subscribers and growing his career in the newspaper industry.

Post Bulletin www.postbulletin.com

Natasha Irish has joined the Post Bulletin as a Customer Service Representative. Natasha was born and raised in Wabasha, and graduated in 2010. She enjoys the customer service industry, and has been working in the field since her first job at age 14. She looks forward to assisting Post Bulletin subscribers and growing her career in the newspaper industry.

Post Bulletin
www.postbulletin.com

Jack Jefferson joins the staff as a Senior Media Consultant. He is responsible for client service excellence and providing integrated marketing solutions to a national client base.

Jack's professional experience includes development, sales and execution of brand building and integrated advertising programs utilizing cutting edge digital and print media platforms. Previously, he served as a Senior Consultant for the River Valley Group at Lee Enterprises. Jack is truly excited to become part of the thriving Rochester business community and to support the continued success of the PB.

Post Bulletin
www.postbulletin.com

The PB welcomes John Molseed to the newsroom as a general assignment and education reporter. Molseed was previously a manager and editor at Little Village Magazine in Iowa City, IA. Prior to that, he was reporter at the Waterloo-Cedar Falls Courier and music editor at Pulse Magazine in Waterloo, IA. He graduated from the University of Iowa in 2004 with a degree in Journalism and Japanese.

Waddell & Reed
www.waddell.com

Peggy Buehler has joined Jill Minette's team at Waddell & Reed as an Advisor Associate in the Rochester area. Peggy will assist individuals, families and businesses with a broad array of financial needs including developing customized financial plans, recommending long-term investment strategies and offering comprehensive brokerage services. Peggy has a bachelor's degree from Minnesota School of Business in Accounting and Carthage College in Political Science. For more information about Waddell & Reed, contact Peggy Buehler at (507) 282-5323 x122.

Erin Johnson is the newest shareholder of WSN. She graduated from the University of North Dakota with a Bachelor of Science in business administration, majoring in finance and is a licensed Certified Public Accountant. She joined WSN in 2012 as a finance and accounting specialist. In her position, she supports a variety of financial and accounting functions, including daily operations, recording and analyzing financial information, producing financial reports and statements, and communicating with project managers and clients. She also reviews contracts, insurance and liability issues, banking and finance matters, and works with WSN's leadership team on company strategy.

After 44 years of practice, David Kane is retiring from a long and successful architectural career. David Kane is noted for his design of buildings such as Olmsted

National Bank and the WSN office building (formerly Home Design Studio), both on West Circle Drive in Rochester, MN, and the Steele County History Center in Owatonna, MN.

David Kane joined his father's practice after graduating from the University of Minnesota with a Bachelor of Science in Architecture and Environmental Design in 1974. He carried on his father's legacy by providing planning and design that was personal, functional, yet reflected a high-quality aesthetic.

Joey Weiss, PE has successfully passed the exams and met the education and experience requirements necessary to become a licensed professional engineer

by the Minnesota Board of Architecture, Engineering, Land Surveying, Landscape Architecture, Geoscience, and Interior Design (AELSLAGID).

Weiss graduated from Minnesota State University-Mankato with a Bachelor of Science in Civil Engineering. He joined WSN as an engineer-in-training in 2014. As a civil engineer, Weiss is responsible for design, inspection, and preparation of plans and specifications. He also develops project budgets/schedules, prepares engineering studies and reports, develops project design criteria, administers construction contracts during bidding/construction, and ensures that the client is kept informed.
