

Greetings,

The past several weeks have presented a variety of challenges for many of us. As the stay-at-home orders are loosening and we get down to business, together we are adjusting to new processes for servicing our customers and want you to know that we are here for you!

We are ready to assist with *ALL* your print needs for social distancing, hygiene practices and signage. Here's just a few ways we can help:

- **11" X 17" Disposable Placemat Menus:** Your menu is printed in full-color on the front, the back can be left blank or also printed in full-color for more info on your business, promotions, upcoming specials, and more! When one customer finishes, out with the old and in with the new before your next visitor arrives.
- **Hand-held Menus:** Your menu is printed in a smaller hand-held size, folded or flat, that can be placed in pick-up orders or thrown out after in-restaurant use. Add a coupon for them to come back again!
- **Signage:**
 - Directional signage for pick up orders? ✓
 - Stand Here and social distancing signage? ✓
 - Window clings? ✓

I'd love to brainstorm ideas with you. Let me how Smyth and I can help! I can be reached at 507.279.7440 or via email at jtherring@smythco.com

Thank you,

Jeff Therring
